# YA-FS02

## / SINGLE STEP FOOT STOOL

YA-FS02 is a heavy duty foot step that provides stable support for users. The widened legs and non-slip feet provide extra-large load-bearing capacity. The special hook structure increases the flexibility of use and can be stacked and spliced to increase the use area or height.

### Main Features

- Stainless steel structure, heavy duty
- Anti-slip step surface and rubber feet
- Widened leg design
- Can be stacked and spliced to increase the use area or height

### Technical parameter

Size	L45*W30*H13cm
Steps	Single and can be stacked or expanded
Structure	Stainless steel

## Main details

### Non-skid ribbed platform

The step surface is made of anti-slip material with uneven patterns to prevent slips or accidents, making it safe and reliable to use in various environments.

---

### Reinforced rubber feet

The special leg structure makes the entire foot step more stable and is equipped with non-slip rubber feet.

---

### Flexible splicing

These hooks around the stool can be used to splice or stack additional stools to increase the area or height.
